ABOUT THE ORGANIZATION

Who We Are

The Margaret Byrd Jones Foundation, Inc. is a Florida 501c3 non-profit entity (#26-4524573) with a mission to enhance the lives of undeserved young girls by providing the tools to help them make positive academic and personal choices.

Our secondary mission is to provide services that enrich the lives of children and families in need within the communities we serve through our: Annual Back-To-School Giveaway, Adopt-A-Family for the Holidays, A Thankful Heart Project and Shrink Less and Shine More Scholarships and Financial Mentoring Program.

About The Scholarship & Brunch

The Shrink Less and Shine More™ Scholarship was created in 2015 to encourage deserving young girls to never shrink themselves in order to make others comfortable and always strive to reach their full potential. The scholarship is up to \$1,000 and awarded annually to graduating high school seniors accepted into an accredited college / university. The scholarship is to be used to assist with the payment of tuition, room and board, books and/or fees.

The annual brunch is a fundraiser for the Shrink Less and Shine More Scholarship Fund and features a guest speaker, entertainment, scholarship recipients, donors, silent auction and an amazing dining experience.

The event is scheduled for April 4, 2020 from 11:00am to 1:00pm at *The Second Harvest Food Bank of Central Florida*.
